Thayer community center to hold open house Sunday

Renovations have been underway at the Thayer Community Center (old Thayer School). A lot of work has been completed such as painting and refinishing the floors in the main areas, and reconstruction of the front entry.

An open house is planned for Sunday, October 23 from 1 to 4 p.m.. The public is welcome to

come by for refreshments, to see what has been done, what is yet to be done, and even to reminisce about their old school days.

The majority of the work has been done by volunteers. The plan is to open the building for youth activities and community events. It is also available to rent for private events.
