February highlights:

New tires were installed on the squad car.

I assisted in the Trojack funeral detail.

3 dogs were impounded and only 1 person has paid their fine for a release.

On February 8th, at approximately 9:07PM, Kaylie Callahan, 22 of Thayer was arrested on an outstanding warrant for failure to appear.

John and I worked on the camera system for the community building and have 1 camera up and running. Waiting for Paul to replace outlets with correct outlets due to the power source not being able to connect correctly.

Bobby, Mac, Tammy, and I conducted 4 interviews for the police department.

Someone drove down the alleyway off Harrison Street and I have asked Ray to order signs that prohibit the public travel and parking down it.
