

40-2-11

**INOPERABLE VEHICLES -
updated to include boats and
trailers**

(A) Any vehicle, boat with expired tag and trailer with expired tag within the Village, whether on public or private property, that is either an inoperable vehicle, or a boat or a trailer with expired tag shall be considered a nuisance.

(B) It shall be the duty of the Chief of Police, or other designated Village Representative to inspect vehicles that may be considered inoperable vehicles, boat with expired tag or trailer with expired tag.

(C) The Chief of Police or other designated Village Representative shall notify the vehicle owner, owner of a boat with expired tag or owner of a trailer with expired tag to dispose of any inoperable vehicles, boat or trailer not exempted below, within twenty (20) days of the date of mailing of the notice to dispose of said property.

(D) Any person who receives a notice to dispose of any property covered by this ordinance shall dispose of such a) inoperable motor vehicle, b) boat with expired tag or c) trailer with expired tag within twenty (20) days of the date of mailing of the notice. Failure to do so will subject said person to a fine not exceeding Two Hundred Dollars (\$200.00) for each offense; each day a violation continues to exist shall constitute a separate offense.

(E) Excluded from these requirements are 1) historic vehicles over twenty-five (25) years of age; 2) motor vehicles, boats or trailers kept with a building when not in use, or being maintained or serviced; and 3) vehicles, boats or trailers which are fully covered or enclosed so that no part of said vehicle, boat or trailer, including the wheels and tires, if applicable, is visible.
